- At least 5 years of experience as a Purchaser;
- Experience with ERP systems (Exact is an advantage);
- Experience with MS Office;
- Good command of the Dutch and English language both verbally and in writing;
- Affinity with technology;
- Creative thinking skills & commercially strong & stress resistant;
- Excellent communication and social skills;
- You have the ambition to advance to the position of Manager Procurement in the short term;
- Full time availability.

### Overview

Operating in more than 75 countries, Industrial Physics is the world leader in packaging and product integrity testing equipment. We serve our customers from five segments: Food & Beverage, Flexible Packaging, Inks & Coatings, Material testing and Product Integrity.

Within the Industrial Physics group, Industrial Physics Inks & Coatings develops, manufactures and sells instruments for testing, measuring and analyzing inks, coatings and general surface treatments from its facility in Capelle aan den IJssel. Our brands in this segment include TQC Sheen (coating test equipment), C&W Specialist Equipment (corrosion and environmental test cabinets) and Fibro (measuring equipment for dynamic surface properties).

**What you can count on**

We offer you a varied fulltime position at a fast growing and ambitious company. You will work in an informal atmosphere within a dynamic team with active and committed colleagues. Your contract is for a fixed term with a view to permanent employment. Of course we offer you a good salary with the possibility to grow.

Don't miss the opportunity to join our team. Interested in this position, please send your resume to [jobs-ic@industrialphysics.com](mailto:jobs-ic@industrialphysics.com). Still have questions? Call or email Monique Westerduin: 010 79 00 100 & [mwesterduin@industrialphysics.com](mailto:mwesterduin@industrialphysics.com).
